How does it work?

Let Denise & her team capture this special milestone in your child's life with a 30 minute personalised portrait session during which the whole family are encouraged to get involved!

We'll photograph the Communion or Confirmation child along with their family in a mix of formal and more relaxed, fun portraits in various combinations. This makes sure you have lots of choices when it comes to deciding which portraits to order. Grandparents and Godparents are welcome too!

You then come back for a private viewing appointment where you choose your favourites to have made into beautiful art for your home! Enjoy savings of up to €875 by choosing one of our four great packages filled with the most popular items for Communions & Confirmations. Or you can also order from our extensive à la carte menu with items starting at just €95 each.

It costs just €25 for a 30 minute Communion & Confirmation portrait session, then you just buy what you love! Most clients budget several hundred Euros for portraits and payment plans are available.
