PORTRAIT GUIDE

How does it work?

Let Denise & her team capture this special milestone in your child's life with a 45 minute personalised portrait session during which the whole family are encouraged to get involved!

We'll photograph the Communion or Confirmation child along with their family in a mix of formal and more relaxed, fun portraits in various combinations.

This makes sure you have lots of choices when it comes to deciding which portraits to order.

Grandparents and Godparents are welcome too!

You then come back for a private ordering appointment where you choose your favourites to have made into beautiful art for your home! Enjoy huge savings with one of our Digital or Wall Collections or you can also order from our extensive à la carte menu with items starting at just €95 each.

It costs just €50 for a 45 minute Communion & Confirmation portrait session, then you just buy what you love! Most clients budget several hundred Euros for portraits and payment plans are available.

Our Style

Our Communion & Confirmation portraits are bright and modern - these aren't the boring or stuffy portraits from when we were kids!

Typically photographed on a white or pale toned backdrop, they are designed to sit beautifully on the walls of any Irish home.

We love to capture your child's personality so, as well as the more formal poses, we include more relaxed, playful imagery too.

We encourage the whole family to get involved. Bring along siblings, grandparents, and godparents for timeless photos together. You can even bring your dog!

Make sure you also bring along any accessories such as prayer books, rosary beads, handbags, parasols and sunglasses as it's important to capture the whole look on the day!

Fine Art Style

For those who want something truly special - our Fine Art Style children's portraits can be included in any session.

A modern interpretation of a classic formal portrait, these are painterly and timeless. These are more than just a photograph, they're a true piece of art for your wall.
